Home to 75 Thousand Christians

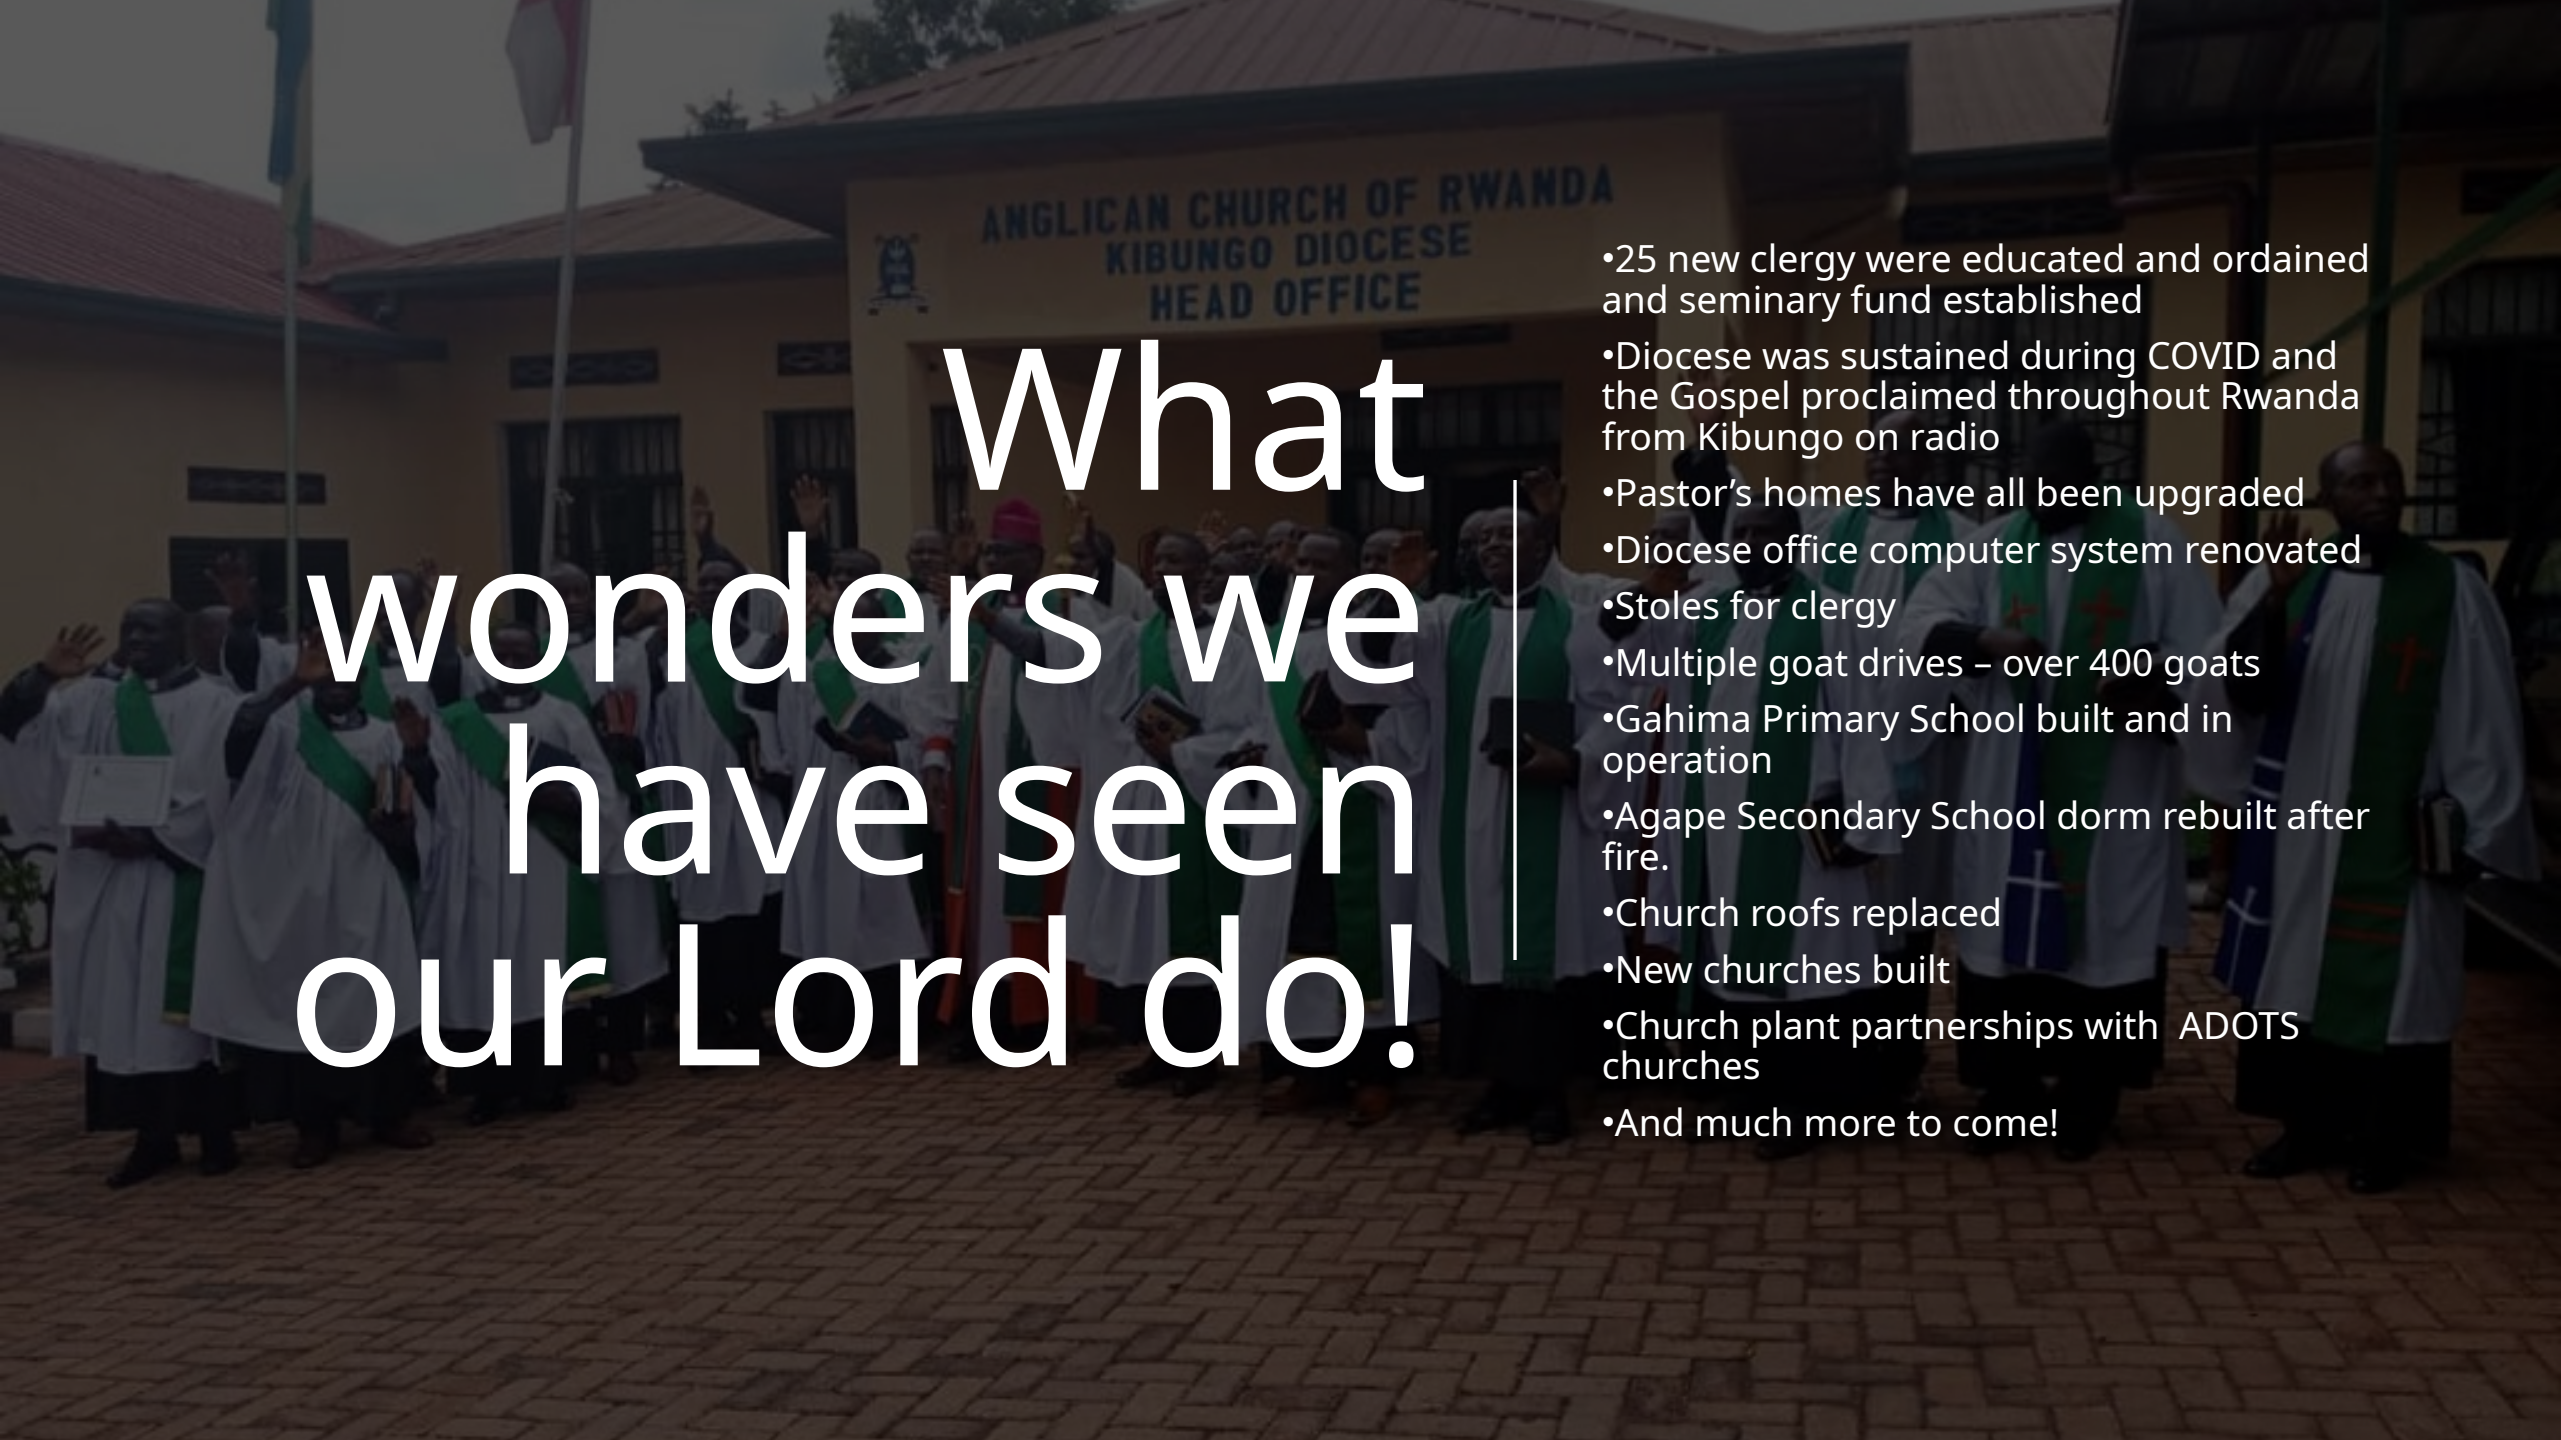

Five Immediate and Key Focus Areas for the Diocese of Kibungo

We began with the invitation, "Come and See!"

And We Have Seen God Do Incredible Things Through Our Partnership!

A group of Anglican clergy members, including men and women, are standing in front of a building. They are wearing white robes with green stoles. Some are holding books or papers. The building behind them has a sign that reads "ANGLICAN CHURCH OF RWANDA KIBUNGO DIOCESE HEAD OFFICE". The ground is paved with bricks.

What wonders we have seen our Lord do!

- 25 new clergy were educated and ordained and seminary fund established
- Diocese was sustained during COVID and the Gospel proclaimed throughout Rwanda from Kibungo on radio
- Pastor's homes have all been upgraded
- Diocese office computer system renovated
- Stoles for clergy
- Multiple goat drives – over 400 goats
- Gahima Primary School built and in operation
- Agape Secondary School dorm rebuilt after fire.
- Church roofs replaced
- New churches built
- Church plant partnerships with ADOTS churches
- And much more to come!

1. Meeting Government Regulations for Opening Churches

- Before November 2012 Churches were open
- Now 13 churches are open
- Government approval is a slow process
- Rwamagana, has one of the 10 churches open in a major population center

2. Education

- Currently have 13 in theological studies, but need more
- Itetero and Gahima Primary Schools are setting education standards for Rwanda
- New primary school under construction at Kibare
- 7 government owned primary schools are administered by diocesan staff
- Improvements to library and office at the Agape Secondary School

3. Social and Economic Development

- Evangelism and support of the most-need in the diocese
- Domestic animals
- Financial improvement through Savings Groups

4. Building the New Cathedral

New St. Peter's Cathedral, Kibungo
